State dual point scoring

Dual point scoring at State:

Each wrestler may score points for their **Club Team** and **All Star Team**

Club name is the club you wrestle for in the same school district. 80% of your members must live in the same school district to score team points. If school district is not filled in on entry form, that wrestler will NOT score team points.

Club Teams will be broken up into 3 divisions by how many wrestlers enter at Regionals. They will be divided into thirds. AAA (large clubs) AA (medium clubs) A (small clubs)

All-Star Team name is not restricted to any areas, but is limited to 30 wrestlers
